Room 2E-49

1. Status of CS Program - Prospects for meeting 31 December 1971 deadline. See summary of responses to ADDP memo. Picture not encouraging but components generally are strengthening writing staffs.

2. Need for additional writers.

a. DDP history.

25X1A9a

Writer needed to complete
OSO Draft.

25X1A9a

Three DDP histories to be written.
to do Dulles-Wisner period but his health and
availability still in question. Bissell and
Helms periods still unassigned.

b. NE and AF Divisions and FI/D have minimal
or no active writers. Other components also
caught in personnel squeeze.

3. Shape of the on-going program - Station histories
or Monographs?
